

Southern New England Stumpage Price Report

Second Quarter, 2016

Comments:

1. Markets seem stable. We can expect a little slowdown and price adjustment for the summer. Should pick up in Sept/October.
2. Firewood markets are shutting down. Pine price still low. Hardwood markets are dropping some. Veneer markets stop buying.
3. No specifics at the moment. In process of marketing...
4. Firewood very slow
